Dear Doctor,

The Heber Creeper is now incorporated as the Wasatch Mountain Railway & Development Company.

As you well know, they had a rather successful operation this past Sunday hauling about 1,100 people.

It will be necessary that all persons who have subscribed to stock now make good on their pledges. Payments can be made to either my office or to Lowe Ashton.

Sincerely yours,

J HAROLD CALL

The Robert G. Galloway is not incorporated as a corporation.

In your letter, dated 1/7/64, you stated that you were not a partner in this partnership.

It will be necessary for all persons who have been admitted to the partnership to sign a statement of their status.

Very truly yours,

J. HAROLD GALL
